

LASER TREATMENT-PROGRAM WAIVER (\$695)
Alpha Lifestyle Center for Nicotine Addiction

By signing this agreement, you acknowledge that you have read, agree to, and accept the modified terms and conditions contained in this Agreement.

I know that a laser treatment, by itself, is not a proven quit method and I understand that quitting may be more challenging for me without the additional support of the GET FIT TO QUIT program.

I accept full responsibility if I struggle with quitting or am unable to quit by ignoring evidenced-based program components and the opportunity to work with a Certified Tobacco Treatment Specialist.

I further agree that the limited support of the laser treatment does not represent the GET FIT TO QUIT program or the ALPHA LIFESTYLE CENTER brand and that this service was NOT recommended by any of its members or affiliates as a stand-alone quit strategy.

This agreement includes Relapse Insurance; a 2nd full laser treatment within 6 months of my appointment in case a relapse occurs. If a relapse occurs >6 months, I may repeat the program as a Returning Client and I will be responsible for another treatment fee (\$595).

What's Included:

- Alpha's proprietary electronic intake form
- Private telephone coaching session (optional)
- In-office appointment (customer video, laser treatment, behavior modification consultation, supplementation instructions)
- Laser for weight control
- Private label supplement
- Laser booster (2) (laser tune-up if you HAVE NOT returned to using. Exp. > 6 mos)

By signing below, you acknowledge that, as with any cessation program, product or service, there is an inherent risk of loss of capital and there is no guarantee that you won't ever decide to return to using nicotine.
